Syrah        96%  
Viognier    4%

Alc: 14.74 % vol  
Ph: 3.82  
Ta: 6.1 g/litre  
Va: 0.70  
Rs: 2.8 g/litre

**WINEMAKERS COMMENTS:**

By blending the best components to create a wine that is true in character and consistent in quality we were rewarded with the 2009 Syrah/Viognier. The uber-ripe Viognier were blended to the Shiraz to add perfume to the spice. After the Syrah spent nine months in French oak it was raked, blended and bottled. Grapes were sourced from Malmesbury in the Swartland.

**TASTING NOTES:**

Succulent fruit flavours with perfume and spice on the nose follow through on the palate. The wine is well balanced with integrated oaking and soft tannins.
