### WINEMAKERS COMMENTS:

Sourced from Malmesbury in the Swartland the Syrah provides the spice and weight while the Mourvèdre adds structure and aroma to the blend. The pungent Viognier component boosts the perfume profile. French oak matured with the Viognier blended prior to bottling.

### TASTING NOTES:

Intense red colour with a purple rim. A spicy profile with ripe black fruit and violets. Smooth and rich on the palate with soft tannins, good density and a hint of oak. A well balanced, unpretentious wine made for easy drinking.
